Prices and childcare refund (up to 84%):

Prices include all meals, insurance, pick-up from school, transport during holidays, entrance fees, lessons, rental equipment etc. Parents who both work or single working parents can receive a childcare refund from the Dutch tax authorities. You and your child(ren) need to have a 'burgerservicenummer' (the former sofinummer) and you have to work (part-time) or study in The Netherlands. Even if you do not pay tax in The Netherlands you can often still receive the refund. Our administration company DebiCare can apply for your child care refund (free service).
